To the Director of Human Resources

Dear Sir/Madam,

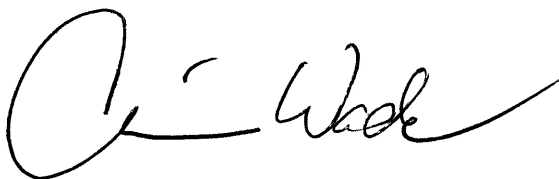

Enclosed with this cover letter you will find my resume and letters of reference.

You will find that over the last 16 years I have had an excellent and varied background with computers and systems management and project management. One thing that you will notice as you look over my resume, especially the letters of reference, is that I always try to bring something extra to my jobs. I find it enjoyable to go above and beyond what is required of me whenever I can.

Please feel free to go over all my application and contact my references. If you have any questions, please feel free to contact me.

I am looking forward to meeting you in an interview.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Wade". The signature is fluid and cursive, with a large initial "C" and a long, sweeping underline.

Chris M Wade

“Chris gives above and beyond to the job. He is very conscientious about work time and schedule. He is a heads down, plow- ahead person who is not distracted from the task at hand. Chris shows concern for keeping all the department and county rules. Chris comes back to work the next day or after the weekend with ideas, solutions and questions which indicates the problems did not leave his mind at 5:00p.m. This serious attitude about his work and career sets Chris above the average.”

Gordon Coons
Douglas County

"He demonstrated the ability to usually exceed our expectations and get more completed than was expected. He is honest and anxious to see the job to completion... I heartily recommend him as an employee who is a dedicated worker who thrives on challenges."

Jonathan H. Belcher
US Forest Service

Objective: To obtain a position with a customer oriented company in Oregon.

Employment History

May 2006 – August 2006

Hawaii Police Department

Police Officer I - Cadet (Full Time)

I worked as a Cadet Police Officer with the Hawaii County Police. This involved training in firearms, law, public relations and emergency medicine.

January 2006 - February 2006

The Employment Experts

Site Project Manager / Carpenter (Full Time – Temporary)

I worked as the Site Project Manager for Jessica Lynn LLC, building houses in Keaau, HI. My responsibilities included project management, coordinating with vendors, payroll, general support labor and job oversight.

September 2005 - January 2006

Altres Staffing

Support Specialist (Full Time-Temporary)

Supported the Loan Officers at American Savings Bank. My primary responsibilities were to help prepare loan applications, answer phones and do research to help the Loan Officers accomplish their job.

August 1995 – June 2006

Laser Excellence!

Web Manager / Designer (Part Time)

With Laser Excellence! I created and managed their business presence on the Internet. I was responsible for development and management of the site as well as all web-based marketing. During my time with Laser Excellence! I was able to more than double the business sales. The web site was also featured on the PBS TV show TechnoBytes.

February 1996 – August 2005

SIM (Serving in Missions)

Web Manager / Designer (Full Time)

While with SIM I created, implemented and managed the company's web presence. This involved everything from systems management to project management. A couple of accomplishments I achieved while working there were implementing an online giving application that brought in more than \$350,000 in 2004 and creating an online application process that is now the ministries' #1 recruiting tool.

October 1994 – February 1996

Douglas County, Oregon

Planning Tech / GIS Technician

June 1989 – February 1994

US Forest Service

GIS Systems Manager
Oracle DBA
PC Training & Support

“During his tenure with SIM, Chris has proven to be self-motivated, working very well without direct supervision. He was able to make the most of very limited resources and was very creative in finding ways to make a little go a long way with finances and equipment.”

*Fred Ely
SIM USA*

Systems Management & Development background

- Windows NT & IIS
- Windows 2000 & 2003 and IIS
- Windows XP Pro & Home
